

# PDM - Heavy Duty Stacker

## High Performance at Low Cost

### PDM - Power Drive Stacker

The Big Joe PDM Series offers the best of both worlds. This lift gives heavy duty performance for a medium duty price. The PDM is capable of lifting 3,000 lbs. up to 13' high and still operate in a narrow aisle. Retail, Printing, General Warehouse, and various manufacturing companies have seen how the PDM can provide optimum performance at an economical price.
